This Certificate of Public Convenience and Necessity is evidence of the carrier's authority to engage in transportation as a common carrier by motor vehicle.

This authority will become effective only when the carrier has met the compliance requirements pertaining to insurance coverage for the protection of the public (49 CFR 1043), the designation of agents upon whom process may be served (49 CFR 1044), and tariffs or schedules (49 CFR 1300 through 1310, revised). The carrier shall also render reasonably continuous and adequate service to the public. Failure to meet these conditions will constitute sufficient grounds for the suspension, change, or revocation of this authority.

This authority is subject to any terms, conditions, and limitations as are now, or may later be, attached to this privilege.

For common carriers with irregular route authority: Any irregular route authority authorized in this certificate may not be tacked or joined with your other irregular route authority unless joinder is specifically authorized.

The transportation service to be performed is described on the reverse side of this document and will be valid as long as the carrier maintains compliance with the above requirements.

By the Commission.
